**Class of 1973,  
 2001, 2003**

SBS wishes to recognize the Gallagher family. Joanne Gallagher, our 3rd grade teacher, graduated from SBS in 1973. Her husband Buzz is self-employed as a computer consultant. Their son, Gene, graduated from SBS in 2001; he attended LaSalle College High School and is currently a senior at Penn State, majoring in computer engineering. He will be employed by Northrop Grumman Corporation upon graduation. Their daughter, Laura, graduated from SBS in 2003 and went to Country Day School of the Sacred Heart. She is currently a sophomore at LaSalle University, majoring in Secondary Education/Math, and is on the dean's list. She also plays softball for LaSalle. St. Bernadette School salutes the Gallagher family. We are very proud of their accomplishments.

...CHANGING THE WORLD,  
 ONE CHILD AT A TIME

**Saint Bernadette School!**

*...where community, mind, and spirit meet.*

*Father Dominic blesses the faculty, at the start of a new school year.*

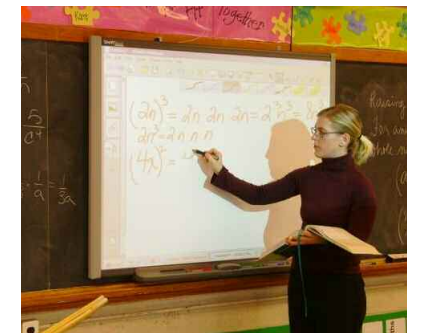

*Father Wright blesses each of the children at our first school Mass. Little did we know that it was to be their last contact with him. May he rest in peace.*

*Smiling faces are everywhere as we open the doors to the first day of school at SBS!*

*The Annual Drive and the Home & School Funds allowed us to put an interactive white board in every homeroom! Thank you, thank you, and thank you again. Your support is an incredible blessing!*

*Matt Sondermann, brother of Madison, visits the school after returning from Iraq. He is explaining his injuries to the children.*

*Even the little guys cast their votes for a new president!*

*"Old MacDonald" performed in Spanish at our Open House brings smiles from proud parents.*

*Faculty and 8th graders pose after a winning game by 8th grade*

*Loyal fans cheer their teachers on.*

*Bernie Bear shows up too!*

And thank you to our newly formed "Fathers Club" who came to the rescue to hang the last two boards. They have also offered their services for whatever needs to be done in the future. As of this writing, they have now graduated to a Parish "Hammer and Nails Club", established by our new pastor who knows a good thing when he sees it. There is far too much talent and good will not to spread it around to the whole parish.

**~ MEET FATHER KELLY ~**

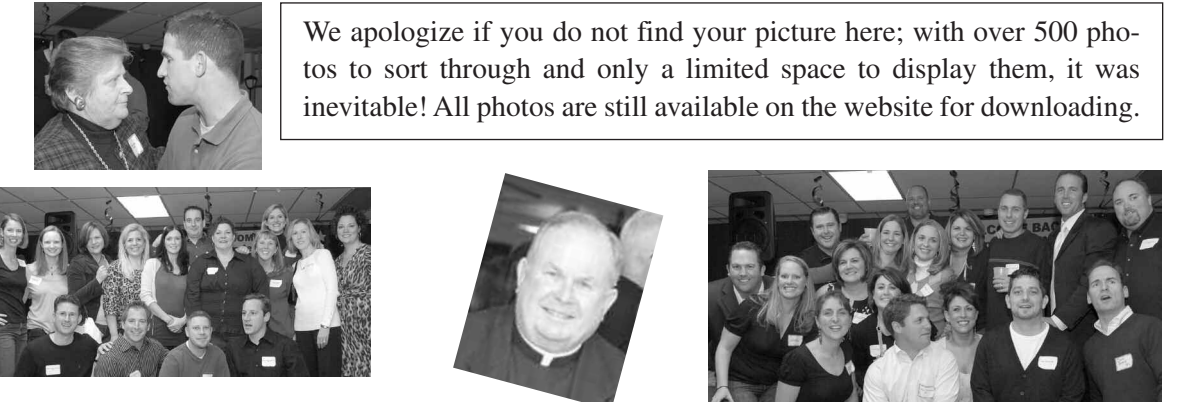

Speaking of our new pastor, we introduce to you Father John J. Kelly. In the short time he has been among us, he has impressed us with his enthusiasm, his sense of collaboration, his astute business acumen, and his marvelous humor. Most of all he has impressed us with his deep sense of his priesthood, and his goal to be the face of Jesus to each of us through his sacramental ministry. We welcome him to our parish.

# An Incredible All Class Reunion at SBS!

We apologize if you do not find your picture here; with over 500 photos to sort through and only a limited space to display them, it was inevitable! All photos are still available on the website for downloading.

*Stories shared...*

The huge success of our first all class reunion allowed us to pass on almost \$20,000.00 to tuition assistance.

Because of this gift, the school tuition for this coming year will not be increased. Thank you for this incredible gift to our families.

A pledge card is enclosed if you would like to contribute to this year's Annual Drive and Endowment Fund.

You can also donate online at the Alumni Website. Just go to [st-bernadette.org](http://st-bernadette.org) and link to the alumni site. Reunion pictures are still available for downloading.
