Physical Education Medical Alert Form 4/15/11

Dear Parents,

This letter is addressed to those parents of children who have medical conditions (asthma, bee sting allergies, Diabetes, etc.) that need to be considered when traveling to Dermond Field for Physical Education. If your child needs medicine that must accompany him/her to Dermond Field, or he/she has a medical condition that I should be aware of, please copy and fill out the form below and send it back to me immediately.

Please note that this form is different from the emergency forms in the office. If you have already filled out this form in September, please disregard this notice. However, if your child has a newly diagnosed condition since then, this information is imperative. You may contact me for any specific questions at any time.

Thank you for your time and cooperation.

Rose Wallace ([rwallace@stbl.org](mailto:rwallace@stbl.org))
