Dear Friend of St. Bernadette School,

Would you like to direct 90% of your business taxes to St. Bernadette School instead of the state? Well, you can through an easy and extremely worthwhile program for Pennsylvania business owners, LLC partners or those with S Corporation pass through income.

The Pennsylvania Educational Improvement Tax Credit Program (EITC) is the only state program that allows taxpayers to direct where and how their tax dollars are spent. It is very simple for your business to participate. First, your company completes the appropriate application to the State for tax credit for a contribution to scholarship/financial aid programs at St. Bernadette School. Once the state approves the request, the contribution must be made directly to the School within 60 days. There is a yearly statewide cap and tax credits are awarded on a first-come, first-served basis, so it is important to apply early each year.

Businesses that qualify would include those in Pennsylvania that pay any of the following taxes: Corporate Net Income Tax (CNI); Capital Stock and Franchise Tax; Bank and Trust Company Shares Tax; Title Insurance Companies Shares Tax; Insurance Premiums Tax; Mutual Thrift Institutions Tax; and S Corporation Income Tax.

We hope you will consider supporting St. Bernadette School through this unique program.

Enclosed you will find step by step directions, along with the very simple one page application. Applications are only accepted on July 1st. We would be happy to hold your application and make sure that it is delivered to the state on that date.

If you have any further questions, please feel free to contact me.

The essential purpose of Catholic Education is to form the faith received at Baptism, in collaboration with parents and parish communities, through the proclamation of the Gospel; building up a community of faith, true worship and service in the love of Jesus Christ.
